YOUR HALL YOUR SAY

In May 2008, the Thorpe Satchville Village Hall Committee announced the re-opening of the Village Hall.

A great asset to our village, the Hall boasts an up-to date kitchen with modern facilities, a large, tastefully decorated function room and smaller separate bar area or small meeting room. There are new tables and chairs, crockery, cutlery and toilet facilities have been upgraded to allow disabled access.

Whilst the Committee will continue to provide regular events we would also like some suggestions as to how you would like your Hall to be used.

Would you like to host an event?

Would you like a specific club or activity to function from the Hall and how often?

From Bingo to Boogie Nights, Cream Teas to Slimming Classes we want your (reasonably sensible) ideas... so... please fill out and detach the form below and hand in at The Fox or the Garage.
